

## Recipe for Peanut Butter and Jelly (PB&J) Sandwich:

### ***Problem:***

Three ingredients, bread, peanut butter and jelly, are required to make this dish. The user will want to consume all three ingredients combined to create an easy, delicious product i.e. a sandwich. Two or three of these ingredients cannot be eaten individually and might require additional utensils.

### ***Solution:***

Combining all three ingredients into one sandwich provides an easy-to-eat portable meal, combining all three flavours and textures of bread, peanut butter, and jelly.

### ***Required:***

- 2 Loaves of Bread (sliced)
- Butter knife
- 1 Jar Peanut Butter (chunky or smooth)
- 1 Jar Jelly

### ***Procedure:***

**Note:** Assemble all three ingredients in a clean work area.

1. On a flat surface, lay out two pieces of bread (per sandwich).
2. Open the jar of peanut butter by twisting the lid counter clockwise
3. Using a butter knife or other appropriate utensil, remove desired amount of peanut butter from the jar and spread evenly over one piece of bread.
4. Repeat step 2 for the jar of jelly.
5. Remove desired amount of jelly from the container and spread evenly over the other slice of bread.
6. Press the two slices of bread together such that the peanut butter and jelly meet.
